# OCULAR ONCOLOGY HAPPY HOUR

## 2nd EPISODE

**SATURDAY, JULY 2nd, 2022**

**15:00 - 18:00 (EET)**

UNDER THE AUSPICES OF THE HEAL ACADEMY

UNDER THE AUSPICES OF THE HELLENIC COLLEGE OF OPHTHALMOLOGY

Dear Colleagues,

It gives me enormous pleasure to heartily welcome Greek and International Colleagues to this new series of Virtual Ocular Oncology Course, named **Ocular Oncology Happy Hour**, which they will be repeated four (4) times during the year.

The virtual **Ocular Oncology Happy Hour Event**, under the Auspices of the **Hellenic College of Ophthalmology** and the **HEAL Academy**, will include two Ocular Oncology Sessions (**Masterclass on Ocular Oncology** and **Ocular Oncology Case Club**), combined with a session on another Subspeciality of Ophthalmology (**Teaching Session Club**).

The aim of these webinars is to gather International Experts in Ocular Oncology and other Subspecialties, so as to facilitate the exchange of ideas and knowledge, creating an exciting mix of Learning, Content Sharing and Networking.

The Ocular Oncology Happy Hour is marked with **4 credits** of Continuing Medical Education/Continuing Professional Development (CME/CPD) for Each Episode, by the Panhellenic Medical Association and the Registration is **Free**.

On this 2nd episode, on the **2nd of July 2022**, the topic of the **Masterclass on Ocular Oncology**, will be on **Anterior Segment Tumors** and the topic of the **Teaching Session Club** on the **Field of Corneal Diseases**, with very well respected faculty.

I am very much look forward to welcoming you to this series of Ocular Oncology Happy Hour, and hope that your participation will be Educational, Informative and Enjoyable!

With Kindest Regards  
**Maria Pefkianaki**
